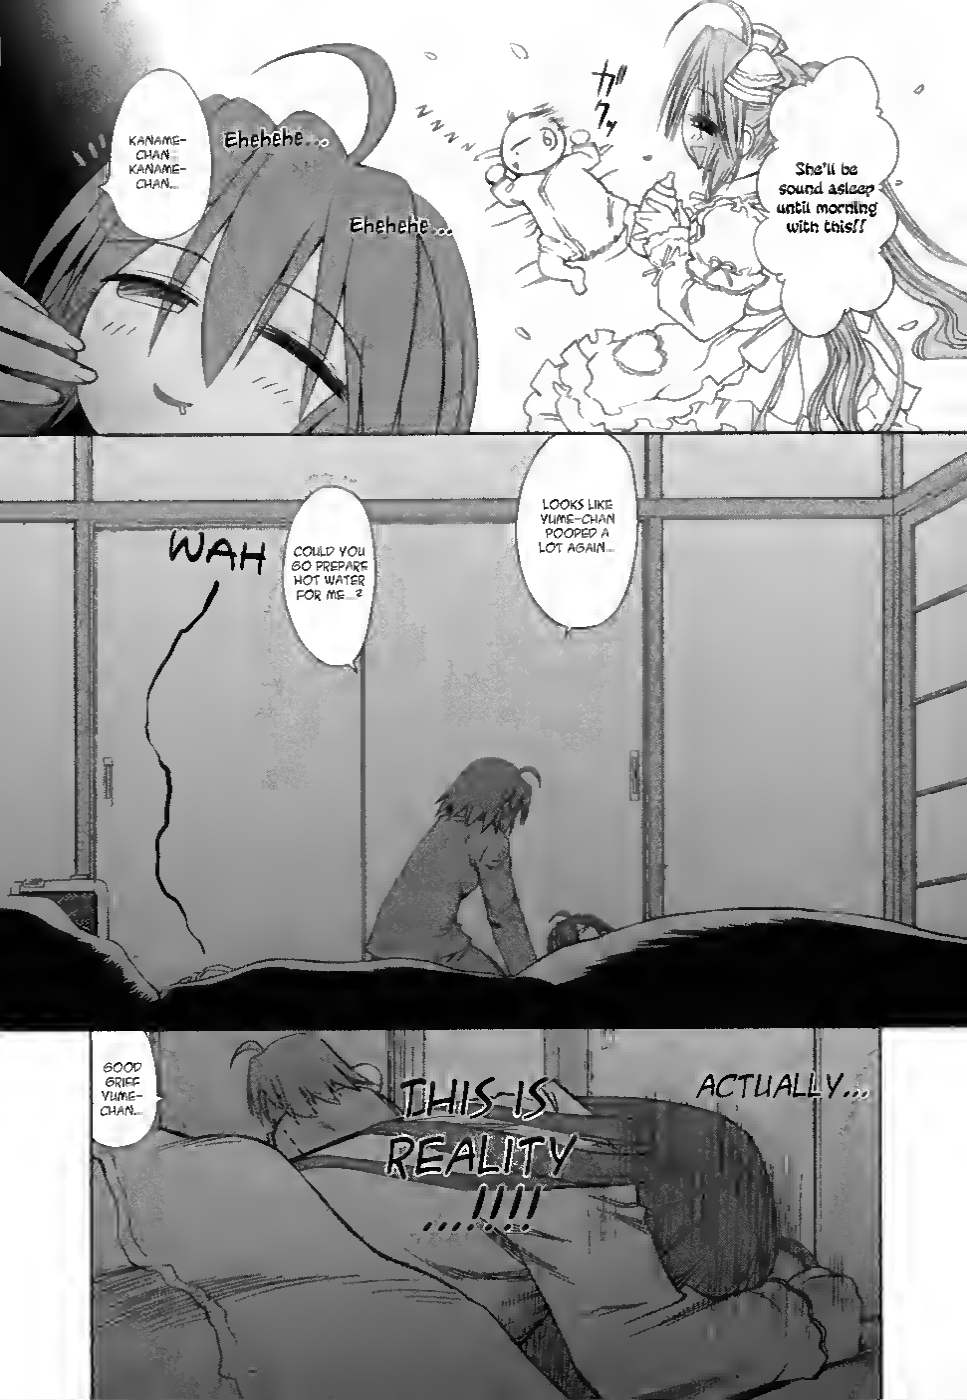
LOOK, IT'S RED... AROUND HERE.
OH... YOU ARE RIGHT. I NOTICED IT YESTERDAY
SINCE HER DIGESTIVE SYSTEM IS STILL IMMATURE, THE INTESTINAL FLUIDS ARE COMING OUT
I saw that in a book somewhere...
SO IT'S HER DIGESTIVE FLUIDS?
Is it dissolving?
THIS HAS NOTHING TO DO WITH IT, BUT HER POOP DOESN'T REALLY SMELL MUCH
It's a little bittersweet...
WELL... SHE'S ONLY BREAST FEEDING
...BUT I THINK IT'S PICKING UP A SMELL FROM SOMEWHERE
HOW DO YOU FIGURE?
Hell District 9
OUTSIDE IS THE END OF THE SPRING-LIKE MARCH
YUME-CHAN HAS DEVELOPED A RASH AROUND HER ANUS

YES, THANK YOU VERY MUCH
I ASKED SOMEONE AT THE HOSPITAL,
LIKE I THOUGHT, IT'S FUNDA-MENTAL TO KEEP HER BOTTOM CLEAN
CHANGING HER DIAPERS OFTEN,
And using the dryer to dry them
YES..
AND ALSO, WHEN SHE POOPS A LOT WE SHOULD PUT HOT WATER ON HER BUTT
HOT WATER ON HER BUTT?
A CUSHION TO SOFTEN THE PAIN
FILL UP A WASH BASIN WITH HOT WATER, AND JUST WASH HER BOTTOM.
OH LIKE A WASHLET SORT OF THING..
TRUE I'VE HEARD A WASHLET IS GOOD FOR HEMORRHOIDS AS WELL.
WHERE DID YOU HEAR THAT?
SOME-WHERE
HOT WATER..
It gets clean like that.
It's in that book to..

SIS,
LOOKS LIKE WE NEED TO BUY SOMETHING LIKE AN ELECTRIC KETTLE?
HM?
COME AGAIN?
IF WE HAD THAT WHENEVER SHE POOPS A LOT,
WE CAN PUT HOT WATER ON HER BUTT RIGHT AWAY
HM...?
WELL... BUT...
ALSO I CAN MAKE HER FORMULA
Mumble, mumble
WE CAN GET HOT WATER,
FROM THE TAP RIGHT AWAY NO?
Since it's not like we are making her drink it, there's no need to boil it right?
WELL... YEAH THAT'S TRUE... I'm so stupid...
WAH
AH, YUME-CHAN WOKE UP...

WAH
IT FEELS LIKE NOT EVEN AN HOUR HAS PASSED...
Time to breast feed her again...
Sigh
I THINK IT COULD LESSEN
MY SISTER'S BURDEN THOUGH
UWAH

Here Yume-chan it's your milky. ♡
Oh wow! She's just chugging it down!!
Even though I only made 100 milliliters, she drank 300 milliliters!! (SO AMBIGUOUS)
She even had a hearty burp!



KANAME-CHAN KANAME-CHAN...
Ehehehe...
Ehehehe...
She'll be sound asleep until morning with this!!
LOOKS LIKE YUME-CHAN POOPED A LOT AGAIN...
COULD YOU GO PREPARE HOT WATER FOR ME...?
WAH
GOOD GRIEF YUME-CHAN...
THIS-IS REALITY !!!!
ACTUALLY...

ALL YOU HAVE IN YOUR BRAIN IS BREAST FEEDING AND POOPING.
YOU'RE CERTAINLY A SHITTY BRAT.
WAH

YOU ALSO NEED A TOWEL RIGHT!
I'LL GO POUR THE HOT WATER OKAY!
OOPSIE DAISY
OK
WAH
YEAH
I HAVE TO ACT CHEERFULLY.
CHEERFULLY.

I CAN'T BE CLUMSY!
ALSO NO MATTER WHAT,
UH... I'LL DO IT
NO I'LL DO IT,
LET'S GO YUME-CHAN ♡
SINCE I HAPPEN TO BE UP
THERE THERE
TAKE THAT TAKE THAT ♡
I WONDER IF IT'S HOT?
IT'S MORE LUKEWARM THAN HER BATH SO SHE SHOULD BE OKAY ♡

I'M A FAILURE AS HER MOTHER

THEY STIMULATE THE BRAIN AS A SOURCE OF LOVE AND HAPPINESS TOWARDS THE BABY DURING BREAST FEEDING.
EACH ONE IS KNOWN AS THE "LOVE HORMONE" AND THE "HAPPINESS HORMONE"
THE HORMONES ARE SAID TO BE THE TRUE IDENTITY OF MOTHERLY LOVE...
DESPITE ME LETTING HER DRINK SO MUCH, AND A LOT OF IT COMES OUT,
WHY DID I SAY SUCH A THING?

トン
トン
ボ
ズ
ズ
IT'S BEEN 10 DAYS SINCE SHE LEFT THE HOSPITAL.
IS IT THE PEAK OF HER FATIGUE...?

BUT,
CONVERSELY IT'S STILL 10 DAYS...
I DON'T KNOW HOW LONG THIS WILL CONTINUE EVERY DAY
THREE MONTHS? HALF A YEAR? ONE YEAR?
SHE'S NOT EVEN ALLOWED TO REST FOR ONE DAY.
I'M A FAILURE AS HER MOTHER
AT A TIME LIKE THIS I,
I, I'LL DO ANYTHING... I'LL CLEAN UP POOP NO MATTER HOW MANY TIMES IT TAKES...
THAT'S JUST...!
THAT'S NOT TRUE! IF MY SISTER IS NO GOOD THEN THERE ISN'T A WOMAN IN THIS WORLD FIT TO BE A MOTHER!!

POOPED HERSELF AGAIN...!?
The smell is wafting in all the way here ..!?
DON'T TELL ME YUME-CHAN,
!?
DON'T SAY THAT...
I DIDN'T UNDERSTAND ANYTHING
THIS BITTER-SWEET SMELL...!
